

**GMO's Go Global: Should they be labeled?**  
**Post Test**

What is your opinion on whether GMO's should be labeled? Use at least three pieces of evidence to back up your opinion.

My opinion:

---

---

Three pieces of evidence to support my opinion:

1) \_\_\_\_\_

---

2) \_\_\_\_\_

---

3) \_\_\_\_\_

---

If the discussion with the committee did not result in consensus, what are two recommendations that could move the discussion forward?

1) \_\_\_\_\_

---

2) \_\_\_\_\_
